wiha ⬡ Pliers & Cutting Tools

Tools that work for you

Pliers

Wiha's pliers feature soft vinyl handles for comfort and control. Every plier is constructed of premium quality tool steel with induction-hardened jaws and cutting edges for superior sharpness and service life. Experience 40% more gripping power with Wiha's patented DynamicJoint pliers, designed to reduce hand fatigue and make your job easier.

Features

- Wiha patented DynamicJoint for 40% stronger grip and easier cuts
- Induction-hardened cutting edges and jaws for superior sharpness and longevity
- Slip guard handle design for added protection
- Heavy-duty steel riveted joints to withstand high load levels
