

D-SUB 15-PIN 90 DEGREE PLC COMM ADAPTER

P/N EA-ADPTR-4

NOTE: EA-ADPTR IS COMPATIBLE WITH EA7 SERIES TOUCH PANELS ONLY. EA-ADPTR WILL NOT FIT EA9 SERIES PANELS

The EA-ADPTR-4 adapter is plugged into the 15-pin serial port on the rear of the touch panel to allow a PLC communication cable to be plugged in at a 90 degree angle to reduce panel depth requirements. UL Recognized.

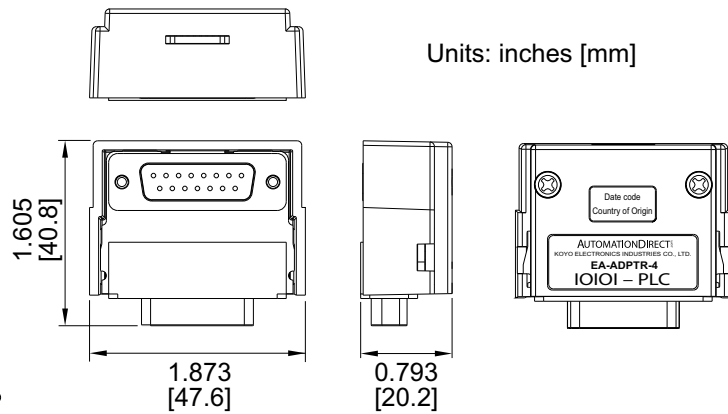

For use in Pollution Degree 2 environment
Maximum surrounding or ambient temperature rating: 50 °C

Part No. EA-ADPTR-4
