

Through-beam sensor

Emitter type

Part number **C5E-0N-1F**

For use in NFPA 79 Applications only

Housing **M5** Switching distance  $S_n$  **250 mm**

$U_B$  10...30 VDC  
 $I_A \leq 100$  mA

A1: Test input

For use in class 2 circuits

Adapters providing field wiring means are available from the manufacturer.  
Refer to manufacturers information.

620-214-080

Operators of the products we supply are responsible for compliance with measures for the protection of persons. The use of our equipment in applications where the safety of persons might be at risk is only authorized if the operator observes and implements separate, appropriate and necessary measures for the protection of persons and machines.
