Diffuse sensor

NPN type - Light-on output

Part number C18D-AN-1E

For use in NFPA 79 Applications only

Housing M18

Switching distance $S_o$: 600 mm

$U_a$: 10...36 VDC
$IA$: ≤ 200 mA

A1: Light-on

For use in class 2 circuits

Adaptors providing flot wiring moor are available from the manufacturer. Refer to manufacturer's information.

Operators of the products we supply are responsible for compliance with measures for the protection of persons. The use of our equipment in applications where the safety of persons might be at risk is only authorized if the operator observes and implements separate, appropriate and necessary measures for the protection of persons and machinery.
