

Through-beam sensor

Emitter type

Part number **C18E-00-2E**

For use in NFPA 79 Applications only

Housing **M18** Switching distance S_n **20000 mm**

U_B 10...36 VDC
 $I_A \leq 200$ mA

A1: Test input

For use in class 2 circuits

Adapters providing field wiring means are available from the manufacturer.
Refer to manufacturers information.

620-214-517

Operators of the products we supply are responsible for compliance with measures for the protection of persons. The use of our equipment in applications where the safety of persons might be at risk is only authorized if the operator observes and implements separate, appropriate and necessary measures for the protection of persons and machines.
