Retro-reflective sensor

NPN type - Dark-on output

Part number C18P-AN-1E

For use in NFPA 79 Applications only

Housing M18
Switching distance $S = 2000 \text{ mm}$

$U_L = 10...36 \text{ VDC}$
$IA \leq 200 \text{ mA}$

For use in class 2 circuits

Adaptors providing field wiring mount are available from the manufacturer.
Refer to manufacturer's information.

Operators of the products we supply are responsible for compliance with measures for the protection of persons. The use of our equipment in applications where the safety of persons might be at risk is only authorized if the operator observes and implements separate, appropriate and necessary measures for the protection of persons and machines.
