

Through-beam sensor

NPN type - Dark-on output

Part number **C18R-AN-2A**

For use in NFPA 79 Applications only

Housing **M18** Switching distance  $S_n$  **6000 mm**

$U_B$  10...36 VDC  
 $I_A \leq 200$  mA

A1: Dark-on

For use in class 2 circuits

620-214-488

Operators of the products we supply are responsible for compliance with measures for the protection of persons. The use of our equipment in applications where the safety of persons might be at risk is only authorized if the operator observes and implements separate, appropriate and necessary measures for the protection of persons and machines.
