## on Quality Circuit Protection

**New shipping policies make it easier than ever to order direct from the U.S.!**

Free standard ground shipping is now available for orders totaling over \$300 U.S. (except for items which require LTL shipping, see Web site for details). Also, now save on brokerage fees when shipping standard ground to Canada - you can choose to allow AutomationDirect to nominate a broker for your shipment for parts shipping via standard ground. This can save you big on brokerage fees.

See Web site for details and exceptions - [www.automationdirect.com/canada](http://www.automationdirect.com/canada)

Starting at:  
**\$172.25 U.S.**  
G3P-100

Made by Eaton Electrical, Inc.,  
Manufacturer of  
Cutler-Hammer products.

## Molded Case Circuit Breakers for branch and feeder circuit protection

- Available in G, F, K and L-frame sizes from 15 to 600 amps
- Patented contact conductor design with high-speed "blow-open" action
- Advanced arc extinguishing technology
- Small size saves panel space
- UL489 listing
- Accessories include rotary and flex shaft handles

### CURRENT LIMITING FUSES

250-600 VAC rated current limiting Edison Fuses replace more expensive competitors' fuses

- Class CC for lighting and heating loads, small motor circuits
- Class J for inductive loads, including motor and motor branch circuits
- Class RK for AC power distribution, lighting

[www.automationdirect.com/fuses](http://www.automationdirect.com/fuses)

### POWER SUPPLIES

RHINO DC switching power supplies with 3-year warranty start as low as \$55.50 U.S.

- PSM metal series in 12 and 24 VDC adjustable output models from 78 to 600W
- PSP plastic-housed ultracompact series in 5, 12 and 24 VDC models up to 8A output current
