

Stretch your maintenance budget

with quality fuses at direct prices!

by Control Design magazine readers, in multiple product categories

DC CONVERTERS

RHINO DC to DC converters isolate and regulate 5, 12 and 24 VDC power, starting at \$70.25 U.S.

- Input ranges from 9.5 to 18 VDC, 18 to 75VDC
- Output voltage adjustable

DISCONNECTS

Ferraz Shawmut 600 VAC/250 VDC heavy-duty fusible and non-fusible disconnects meet UL98 standards, and are UL, CSA, CE and IEC rated.

- SIRCO non-fusible disconnect switches are available up to 800 amp ratings, starting at \$64.25 U.S.
- FUSERBLOC series of fusible disconnects start at \$95.50 U.S., break up to 200 amps; use with class CC or J fuses
- Accessories include handles and shafts, terminal lugs and shrouds, auxiliary contacts

MCCBS

Molded Case Circuit Breakers for branch and feeder circuit protection, starting at \$172.25 U.S.

- G, F, K and L-frame sizes from 15 to 600 amps
- High-speed "blow-open" action
- Small size saves panel space
- UL489 listing

Protect your plant for peanuts!

Now get class RK and J fuses in higher current ratings from AutomationDirect. The class J dual-element time-delay fuses, now available up to 600A sizes, provide superior time-delay to pass harmless motor or transformer surges. Class RK5 fuses are available in sizes from 1A to 600A, and are ideal for time-delay motor circuits and building systems. Class RK1 fuses are also now available up to 600A. Our full line of fuses includes:

CHECK OUT JUST A FEW PRICES ON BIG FUSES

Product Description	AutomationDirect Price/Part Number
Class RK1 - LENRK dual element time-delay fuse, 600A, 250 VAC, knife blade	\$89.25 LENRK600
Class RK5 - ECSR dual element time-delay fuse, 450A, 600 VAC, knife blade	\$109.75 ECSR450
Class J - JDL dual element time-delay fuse, 225A, 600 VAC	\$133.25 JDL225

AutomationDirect prices are U.S. published prices as of October 2008; one fuse per pack. Prices subject to change without notice.

- Current-limiting Classes J, RK1 and RK5, up to 600A
- Current-limiting Class CC, fast-acting and time-delay, up to 30A
- General purpose midget, up to 50A
- General purpose small dimension electronic, up to 30A
- Full line of fuse blocks and fuse holders
