

Do it all with our practical PLCs!

Direct LOGIC/Koyo

# Discrete, Analog, Motion and Communications

**DISCRETE:** Choose from **25 discrete modules** that support AC, DC and relay I/O types. All modules have removable terminal blocks for easy wiring and module replacement. Our newest DC output module performs electronic short circuit protection.

**ANALOG:** **19 analog modules** offer interfaces to current and voltage signals, as well as thermocouples and RTDs. Connect devices such as process transmitters, proportional valves and AC drives.

**HIGH-SPEED/MOTION:** **Counter modules** include a simple counting input module or a high-speed input/pulse output module for interfacing to stepper or servo drives. Using our SureServo or SureStep motion systems with the DL205 gives you a very cost-effective motion control system.

**COMMUNICATIONS:** The DL205 series makes **Ethernet communications** easy and inexpensive. Get fast peer-to-peer access to HMI, other PLCs and PCs on the factory floor at one of the lowest costs per node in the industry.

The **DL205** micromodular PLC is an industry workhorse, time-tested in some of the toughest industrial settings. Installed in thousands of applications, its wide range of I/O and communication options ensure you've got the tools you need to do the job. And our direct prices, 30-day money-back guarantee and FREE award-winning technical support are all standard features that make that job a little easier!

## CHECK OUT OUR PRICES ON PLC MODULES

### PLC modules

	Direct LOGIC DL205	VS.	Allen-Bradley CompactLogix
<b>Discrete Modules</b>			
AC 16-pt. input	\$128		\$277
DC 16-pt. input	\$86		\$236
DC 16-pt. output	\$94		\$308
Isol. relay 8-pt. out	\$99		\$284
<b>Analog Modules</b>			
4-channel input (current)	\$199		\$476
4-channel thermocouple in	\$299		\$967 (6-ch)
8-channel output (voltage)	\$269		\$1,430
<b>Communications</b>			
Ethernet interface	\$299		\$783

\* All prices are U.S. published prices. Prices and specifications may vary by dealer and configuration. AutomationDirect prices are from March 2011 Price List. Allen-Bradley prices are based on www.rockwellautomation.com/en/e-tools 3/7/11.
