Metal, Non-Metallic and Disconnect Enclosures

We've got a huge selection of electrical enclosures and accessories to meet all of your application needs. Choose from over 1,600 Hubbell/Wiegmann enclosures across NEMA 1, 3, 3R, 3S, 4, 4X, 6P, 12 and 13 ratings. With direct prices, free shipping and free tech support you can count on us for the best value in automation.

Over 400 subpanels to choose from, including perforated, galvanized and stainless steel.

Subpanels start at \$3.00 (P0604)

Enclosure Heaters for Moisture and Corrosion Control

STEGO touch-safe positive temperature coefficient heaters prevent the formation of condensation and provide evenly distributed interior air temperature in enclosures.

- Compact design
- Built-in overheat protection
- Panel or DIN rail mount
- High heating performance
- Maintenance-free, explosion-proof options now available

Starting at only \$9.50 (016240-03)

Stratus Heat Exchangers for NEMA / UL Type 4 & 4X Enclosures

Heat Exchangers maintain optimum enclosure temperature in harsh environments.

- 22 to 70 Watts/degree F
- Heat pipe technology
- Closed loop design
- Energy efficient; uses no more power than a filtered fan system
- Filter-free; no diminished cooling capacity

Starting at only \$1028 (TE20-015-17-04)
