## Innovative ultrasonic liquid level sensors

The Flowline EchoPod and EchoSonic II sensor families replace float level sensors, or conductance and pressure sensors that fail due to contact with dirty, sticky and scaling liquids in small, medium and large capacity tanks.

### EchoSonic II LU Series Ultrasonic Liquid Level Transmitters

- start at: **\$469 (LU27-00)**

- Continuous level measurement models in ranges up to 9.8 ft (3m), 18 ft (5.5m), 26.2 ft (8m) or 32.8 ft (10m)
- 4-20 mA output

### EchoPod DL Series Multi-Function Ultrasonic Liquid Level Sensors

- start at: **\$325 (DL14-00)**

- Level switch and level control functions with continuous level measurement.
- Analog output and four programmable relays
- In ranges up to 4.1 ft (1.25m), 9.8 ft (3m) or 18 ft (5.5m)

### EchoPod DX10 and DL10 Series Ultrasonic Liquid Level Transmitters

- start at: **\$260 (DX10-00)**

- Continuous level measurement up to 4.1 ft (1.25m), with a selectable 0-5 VDC, 0-10 VDC or 976- 2000 Hz frequency signal output (DX10), or a 4-20mA output for longer signal distances, up to 1000 ft. (300m) (DL10)

### Flowline EchoPod DS14 Series Ultrasonic Liquid Level Switch & Controller

- start at: **\$306 (DS14-00)**

- Continuous liquid level detection up to 4.1 ft (1.25m)
- Four programmable relay outputs for level switch or control functions

**FLOWLINE**  
We Do Your Level Best

### Ultrasonic Level Sensor Configuration Software and Fob USB Adapter

- FREE WebCal software shows 169 level sensor configurations with pull-down menu selections
- Graphical interface lets you visualize your configuration
- Fob USB adapter, sold separately for \$42 (LI99-1001), can be used with all sensors

## Also Available

Pressure & Differential Transmitters

Electronic Pressure Switches

Dial Pressure Gauges

Digital Pressure Switches / Pressure Transmitters

Signal Conditioners

Solo™ Process Controllers
