

Great HMIs. Great prices.

**NEW 7" WIDESCREEN
TOUCH PANEL HMI**
STARTING AT
\$465.00
(EA9-T7CL-R)

C-more HMI Panels

If you need an operator interface that's reliable, easy to use, with lots of connectivity, memory, and graphics features all at a price that won't break your budget, then you need a C-more HMI! Here are just some of the ways you get more with C-more:

- NEW 7" widescreen model provides more space for vital information
- High resolution TFT color screens in all sizes (6" through 15")
- 64K vivid colors (unheard of at these prices!)
- 800MHz CPU with 26MB to 82MB project memory (depending on model)
- Serial, USB, SD and Ethernet Ports
- Convenient project simulator
- Bitmap animation
- E-mail messaging
- Built-in FTP server / Web server
- Data logging to USB/SD Flash Drive
- Language support for objects in German, French, Italian, Spanish, Chinese and Japanese
- Much, much more...
