Low price per foot – with NO cut charges

All cable from AutomationDirect is now available in your specified lengths, so you can eliminate waste and purchase only as much cable as you need. We offer one low price per foot for each cable type, low minimum lengths, and NO cut charges, NO inflated shipping charges, and NO hidden fees. Combine these benefits with our standard business policies* including: fast FREE shipping on orders over \$49, and our no hassle 30-day returns (yes, even on custom-cut cable) – what could be better?

UL Certified Respooling Facility

OK, how about the added benefit of buying all your controls and cable on the same order, from a trusted supplier. A supplier who is also a UL Certified Respooling Facility. A supplier who is focused specifically on industrial automation cable types and is always working to expand their offering. That's AutomationDirect!

- Eliminate waste, buy only what you need!
- NO cut charges, NO inflated shipping charges, NO hidden fees
- Low minimum lengths (as low as 20')
- fast Free shipping on orders over \$49*
- Order via web, phone or fax*
- Standard 30-day return policy*
