Our prices are low, we can't help it!

Our prices are well below the list price of more traditional automation companies because, with our direct business model and focus on efficiency, AUTOMATIONDIRECT has the lowest overhead in the industry. We pass the savings on to you by offering high-quality products at low prices.

We ship super fast (and FREE on orders over \$300).

The majority of our products are stocked for same-day shipping, when you place your order by 6 p.m. E.T. (with approved company credit or credit card, see Web site or catalog for details and exclusions).

Plus, you get free shipping on orders over \$300 U.S. within the U.S., Canada and Puerto Rico, shipped via ground service or LTL (certain heavy items are excluded, see Web site or catalog for details).

Our service is exceptional.

Independent surveys completed by readers of Control Design magazine placed us at the top of the list for service (in multiple product categories) nine years in a row in their Readers' Choice awards (2001-2009). Other surveys by magazines such as Control Engineering and Control have echoed the results.

We guarantee it.

We want you to be pleased with every order. That's why we offer a 30-day money-back guarantee on almost every stock product we sell, including our software (see Terms and Conditions for certain exclusions).

We make ordering easy.

Shop online with our exhaustive product listings or use our new interactive catalog.
