**\$399.00** U.S.  
EA1-T6CL  
6-inch model

plus FREE Windows-based configuration software!\*

The C-more Micro family now offers one of the best priced **6-inch TFT color** touch screen operator panels on the market. Take advantage of the clear and colorful graphics to create vibrant and intuitive screens. Plus, **FREE programming software** offers the choice of using many built in objects, or importing your own custom graphics. Save time by creating and saving custom objects and graphics to software libraries for fast and easy access from multiple projects. Portrait or landscape modes allow for versatile mounting positions when space is a concern. All these features at a competitive price, in a rugged and reliable package, make this Micro one of the best values for any application. \* The programming software is free when downloaded from the AutomationDirect Web site, or the CD-ROM package can be purchased for \$25 (part # EA-MG-PGMSW).
