DL06: Snap-in LCD Display

Need a display to provide maintenance information in the control cabinet?

For only \$73.00 you can have a bright two-line LCD display right on the PLC. Check out these features:

- Two-line x 16-character display simply snaps into the face of the DL06. No cable or special mounting required!
- ESC, MENU and ENT keys, along with four arrow keys allow for easy and intuitive navigation
- Password protection capabilities available for system parameters like date and time
- Backlight can be turned off for bright locations
