## **Technical Specifications**

| Stego                  |
|------------------------|
| Filter Fan             |
| Intake                 |
| Fan                    |
| Side                   |
| No                     |
| G4 (coarse) filter mat |
| 32 CFM                 |
| 25 CFM                 |
| 24 VDC                 |
| 5W                     |
| 210 mA                 |
|                        |

| <b>Electrical Connection</b> | (2) AWG 14 x 4in long wires with cage clamps |
|------------------------------|--|
| Maximum Static Pressure      | 32Pa   |
| Operating Temperature        | 14 to 158 deg F                              |
| Average Noise Level          | 40 dBA                                       |
| NEMA Rating                  | 12   |
| Application                  | Indoor use only                              |
| IP Rating                    | IP54 (IP55 with optional M5 filter media)    |
| <b>Enclosure Cutout</b>      | 4.92 x 4.92in                                |
| Color                        | RAL 7035 light gray                          |
| Includes                     | Optional mounting screws                     |
| Additional Information       | Purchase exhaust grille separately           |

## Agency Approvals

| UL Listed File #     | None                   |
|----------------------|------------------------|
| UL Recognized File # | E234324                |
| UL Hazardous File #  | None                   |
| CE                   | View CE declarations   |
| CSA File #           | None                   |
| RoHS Status          | Yes (See CE Doc)       |
| EU REACH             | View EU REACH document |
