## Technical Specifications

|                        |   |
|------------------------|---|
| Brand                  | Metal Work                                |
| Item                   | Filter                                    |
| Series                 | Syntesi Size 2                            |
| Working Fluid          | Air                                       |
| Filter Type            | Particulate and moisture separation       |
| Inlet Port             | 3/4in female NPT                          |
| Outlet Port            | 3/4in female NPT                          |
| Drain Port             | G1/4 female BSPP                          |
| Drain Type             | Manual/semi-automatic                     |
| Bowl Material          | Clear technopolymer                       |
| Bowl Guard             | Yes                                       |
| Sight Gauge            | No  |
| Includes               | Replaceable 20 micron filter element      |
| Additional Information | (2) plugged G1/4 female BSPP outlet ports |

## Agency Approvals

|                      |  |
|----------------------|--|
| UL Listed File #     | None                                   |
| UL Recognized File # | None                                   |
| UL Hazardous File #  | None                                   |
| CE                   | <a href="#">View CE declarations</a>   |
| CSA File #           | None                                   |
