## Technical Specifications

|                 |                                                 |
|-----------------|-------------------------------------------------|
| Brand           | Murrelektronik                                  |
| Item            | Cable                                           |
| Cable Type      | Connection                                      |
| Connection 1    | 7/8in - 16 UN2 axial female with female threads |
| Connection 2    | Pigtail with European Color Code                |
| Number of Poles | 4                                               |
| Voltage Rating  | 600 VAC/VDC                                     |
| Amperage Rating | 9A                                              |

|                 |            |
|-----------------|------------|
| Conductor Size  | 16 AWG     |
| Jacket Material | TPE        |
| Jacket Color    | Yellow     |
| Shield Type     | Unshielded |
| Cable Length    | 9.8ft/3m   |
| IP Rating       | IP68       |
| Application     | Power      |

## Agency Approvals

|                      |                                                                     |
|----------------------|---------------------------------------------------------------------|
| UL Listed File #     | E325311                                                             |
| UL Recognized File # | NA                                                                  |
| CE                   | None                                                                |
| CSA File #           | n/a                                                                 |
