## Technical Specifications

|                                  |                                  |  |                           |
|----------------------------------|----------------------------------|--|---------------------------|
| <b>Brand</b>                     | Dehn                             | <b>System Voltage</b>                  | 230/120 VAC 1-Phase & 24V |
| <b>Item</b>                      | Surge Protective Device (SPD)    | <b>Voltage Protection Rating (VPR)</b> | 58V (L-L), 900V (L-G)     |
| <b>Series</b>                    | DPI-CD                           | <b>Housing Material</b>                | Stainless steel           |
| <b>Surge Protection Type</b>     | Power, data & signal protection  | <b>IP Rating</b>                       | IP67                      |
| <b>Signal Types Protected</b>    | 0-20mA, 4-20mA, Fieldbus systems | <b>Mounting</b>                        | 1/2in-14 NPSM             |
| <b>Circuit Type</b>              | Parallel circuit                 | <b>Connection</b>                      | 5-wire 16 AWG pigtail     |
| <b>Channels</b>                  | 2 lines or 1 pair                | <b>Application</b>                     | Hazardous location rated  |
| <b>Neutral Ground Protection</b> | No                               |  |                           |

## Agency Approvals

|                            |  |
|----------------------------|--|
| <b>UL Listed File #</b>    | None                                   |
| <b>UL Hazardous File #</b> | None                                   |
| <b>CE</b>                  | <a href="#">View CE declarations</a>   |
| <b>CSA File #</b>          | 215727                                 |
| <b>RoHS Status</b>         | Yes (See CE Doc)                       |
