## Technical Specifications

|                |                             |
|----------------|-----------------------------|
| Brand          | Lika Electronic             |
| Item           | Encoder rail                |
| Series         | ATIG                        |
| Material       | Aluminum                    |
| Rail Height    | 5.8mm                       |
| Rail Width     | 25mm                        |
| Rail Length    | 240mm                       |
| Pole Pitch     | 5mm                         |
| Accuracy Class | 50 µm/m                     |
| For Use With   | AMIG series linear encoders |

## Agency Approvals

|                      |                                        |
|----------------------|----------------------------------------|
| UL Listed File #     | None                                   |
| UL Recognized File # | None                                   |
| UL Hazardous File #  | None                                   |
| CE                   | None                                   |
| CSA File #           | None                                   |
| RoHS Status          | No                                     |
| EU REACH             | <a href="#">View EU REACH document</a> |
