## Technical Specifications

Brand	AutomationDirect
Item	Damping magnet
Magnet Type	M4.1
Material	Barium ferrite
Coating Type	316L stainless steel
For Use With	Magnetic proximity sensors

## Agency Approvals

UL Listed File #	None
UL Recognized File #	None
UL Hazardous File #	None
CE	None
CSA File #	None
RoHS Status	No
EU REACH	<a href="#">View EU REACH document</a>
