## **Technical Specifications**

| Brand                        | AcuAMP                             |
|------------------------------|------------------------------------|
| Item                         | Current transducer                 |
| Voltage Type                 | DC                                 |
| Body Type                    | Split core                         |
| Sensing Range                | 0-100, 0-150, or 0-200A selectable |
| True RMS                     | No                                 |
| Output                       | 4-20 mA                            |
| Operating Voltage            | 24 VAC/VDC                         |
| Mounting                     | Panel or optional 35mm DIN rail    |
| <b>Electrical Connection</b> | Screw terminals                    |
| UL Rating                    | UL 508 listed                      |

## Agency Approvals

| UL Listed File #     | E222847                |
|----------------------|------------------------|
| UL Recognized File # | None                   |
| UL Hazardous File #  | None                   |
| CE                   | View CE declarations   |
| CSA File #           | None                   |
| RoHS Status          | Yes (See CE Doc)       |
| EU REACH             | View EU REACH document |
