## Technical Specifications

|                       |                                       |
|-----------------------|---------------------------------------|
| Brand                 | Edison                                |
| Item                  | Fuse                                  |
| Series                | JDL                                   |
| Fuse Class            | Class J                               |
| Current-Limiting      | Yes                                   |
| Curve Characteristics | Time-delay                            |
| Amperage Rating       | 45A                                   |
| Voltage Rating        | 600 VAC                               |
| Body Type             | Ferrule                               |
| Size                  | 1-1/16x2-3/8in or 27x60.3mm           |
| Quantity per Pack     | 10                                    |
| Application           | Feeder/branch protection applications |
