## KPR-SCL-230VAC-1 Cut Sheet

Klemsan interface relay, 35mm DIN rail mount, finger-safe, 230 VAC coil voltage, SPDT, (1) N.O., (1) N.C., 6A contact rating, screw terminal(s), LED indicator(s). Integrated leakage current suppression filter.

## **Technical Specifications**

| ı                      |                                               |
|------------------------|-----------------------------------------------|
| Brand                  | Klemsan                                       |
| Item                   | Relay                                         |
| Relay Type             | Interface                                     |
| Mounting               | 35mm DIN rail                                 |
| Relay Housing Type     | Finger-safe                                   |
| Coil Voltage           | 230 VAC                                       |
| Relay Configuration    | SPDT                                          |
| Output Type            | (1) N.O., (1) N.C.                            |
| Contact Rating         | 6A                                            |
| Connector Type         | Screw terminal(s)                             |
| Indicator              | LED                                           |
| Additional Information | Integrated leakage current suppression filter |
