## Technical Specifications

|                            |                    |
|----------------------------|--------------------|
| Brand                      | Sifam Tinsley      |
| Item                       | Panel meter        |
| Series                     | Contender          |
| Display Type               | 2.5 in analog dial |
| Scale                      | 0-1600 A AC        |
| Case Type                  | Polycarbonate      |
| Input Current Signal Range | 0-5 A AC           |
| Input Type                 | Transformer rated  |

|                      |                                   |
|----------------------|-----------------------------------|
| Movement Type        | Moving iron                       |
| Accuracy             | ±1.5% of full scale               |
| Mounting             | Round 4-hole                      |
| Mounting Hole Size   | 2.16 in                           |
| IP Rating            | IP54                              |
| NEMA Rating          | 3                                 |
| Connection           | #10-32 UNF terminal stud with nut |
| Applicable Standards | ANSI C39.1 and EN/IEC 60051-1     |

## Agency Approvals

|                      |                                        |
|----------------------|----------------------------------------|
| UL Listed File #     | None                                   |
| UL Recognized File # | E471457                                |
| UL Hazardous File #  | None                                   |
| CE                   | <a href="#">View CE declarations</a>   |
| CSA File #           | 263805                                 |
| RoHS Status          | Yes (See CE Doc)                       |
