## Technical Specifications

|                                 |                                    |
|---------------------------------|------------------------------------|
| <b>Brand</b>                    | Endress+Hauser                     |
| <b>Item</b>                     | Pressure transmitter               |
| <b>Series</b>                   | Cerabar                            |
| <b>Pressure Range</b>           | 0 to 30 psig                       |
| <b>Accuracy</b>                 | +/- 0.5% of full range             |
| <b>Sensing Element Material</b> | Ceramic                            |
| <b>Seal Material</b>            | FKM                                |
| <b>Analog Output</b>            | 4-20 mA                            |
| <b>Process Connection</b>       | 1/2in male NPT or 1/4in female NPT |
| <b>Operating Voltage</b>        | 10-30 VDC                          |
| <b>Electrical Connection</b>    | 4-pin M12 quick-disconnect         |
| <b>Media Type</b>               | Liquid and gases                   |
| <b>Additional Information</b>   | Purchase cable separately          |

## Agency Approvals

|                             |  |
|-----------------------------|--|
| <b>UL Listed File #</b>     | None                                   |
| <b>UL Recognized File #</b> | None                                   |
| <b>UL Hazardous File #</b>  | None                                   |
