## Technical Specifications

|                           |  |
|---------------------------|--|
| <b>Brand</b>              | Murrelektronik                         |
| <b>Item</b>               | Cable                                  |
| <b>Cable Type</b>         | Solenoid valve                         |
| <b>Connection 1</b>       | 10mm DIN 43650 Form B molded connector |
| <b>Connection 2</b>       | 3-wire pigtail                         |
| <b>Voltage Rating</b>     | 110 VAC/VDC                            |
| <b>Conductor Size</b>     | 18 AWG                                 |
| <b>Jacket Material</b>    | PVC jacket                             |
| <b>Cable Length</b>       | 16.4ft/5m                              |
| <b>Protection Type(s)</b> | surge                                  |
| <b>Indicating Type</b>    | LED indication                         |

## Agency Approvals
