Technical Specifications

Brand	Sung-II Machinery
Item	Drive coupling spider
Coupling Type	Jaw type
Coupling Size	100
Material	Thermoplastic polyurethane
Durometer	98A
Rated Torque	500 N-m
For Use With	SJC-100C series hubs

Agency Approvals

UL Listed File #	None
UL Recognized File #	None
UL Hazardous File #	None
CE	None
CSA File #	None
RoHS Status	Meets RoHS Chemical Restrictions - No CE (See RoHS Statement Below)
EU REACH	View EU REACH document
Other	RoHS Statement
