## Technical Specifications

|                 |                             |
|-----------------|-----------------------------|
| Brand           | SureMotion                  |
| Item            | Timing pulley               |
| Material        | Ductile iron                |
| Pitch           | 3/8in L                     |
| Number of Teeth | 44                          |
| Pitch Diameter  | 5.252in                     |
| Pulley Type     | No hub with flanges         |
| Mounting Type   | QD style bushing            |
| For Use With    | 1/2in wide belt             |
| Requires        | SDS series QD style bushing |

## Agency Approvals
