Wire Cutting and Stripping Tools

Self-Adjusting Cut and Strip Tools

- Widest stripping capacity of any tool of its type
- Pistol grip option (DN-WS-PG) provides stress free comfort, particularly when operating parallel to a table or workbench
- Easily interchangeable stripping cassettes are available for stripping a wide range of most modern insulation types, from PVC to PTFE; color coded by stripping blade type
- No additional tools required to change stripping blade cassettes
- Precise adjustability allows stripping of various insulation thicknesses without damage to conductors
- Easy snag-free wire removal after stripping
- Ergonomic design with soft-grip handle
- Light weight and strong; molded in high-strength plastic with twice the strength of standard nylon; tested 150k cycles
- Cutting capacity:
  - Stranded conductors to 8AWG (10 mm²)
  - Solid conductors to 16 AWG (1.5 mm²)

Wiring Accessories – Cutting & Stripping Tools

**Cable Stripping Tool DN-CST**
Small, simple, safe, and precise tool for removing insulation from copper and fiber optic audiovisual, data transmission, instrumentation, signal, and telephone cables.

- **Precise:** 9-position blade height adjustment wheel for fine adjustability and repeatability
- **Easy to use:** Squeeze the tool together to open the stripping cavity, insert cable, rotate once, and remove tool from cable. Separately pull scrap insulation off of cable.
- **Safe:** Smooth, rounded, pocketable, and lightweight design; no exposed blades
- **Tough:** Impact resistant nylon tested to over 50k cycles
- **Economical:** Replacement blades available
- **Cable capacity:** Ø 0.1-0.43 in [2.5-11 mm]
- **Insulation thickness:** Up to 0.04 in [1.0 mm]

**Cable Stripping Tool DN-CS-1**
DN-CS-1 is an adjustable heavy-duty cable stripping tool for all insulation types. Unique features with interchangeable cable retention hooks giving it cable stripping capacity of up to 40 mm/1.57 inch diameter.

- **Large capacity:** Interchangeable hook feature means that DN-CS-1 can replace two or more similar products in the toolbox.
- **Easy to use:** Positive locking positions for circular, lengthways and spiral strips.
- **The blade automatically returns to its starting position at the end of a strip reducing the possibility of broken blades.**
- **No special tools are required to change hooks – one replaces the other. The blade height adjustor is almost friction free and is easy to rotate for fine blade height adjustment.**
- **Safety straps can be fixed to the eyelet at the base of DN-CS-1 to prevent accidental dropping of the tool.**
- **Ergonomic:** The well balanced design features rests for thumb, first and little fingers to ease raising of the cable retention hook.
- **Durable:** Replacement cutting blades can be stored in a pocket located within the tool.
- **Tested to over 100,000 cycles.**
