

WORK by GT Line Tool Storage

Tool Rolls

The Tool Roll R is the ideal tool roll for professionals seeking efficient, compact organization.

With 12, 15, or 20 tool pockets across a wide surface, it neatly carries screwdrivers, pliers, wrenches, and tools of various sizes.

Once rolled up, its footprint is minimal — perfect to fit inside a tool bag, tool backpack, suitcase, or professional case.

Extremely lightweight yet spacious, it's the right choice for mobile technicians, installers, and maintenance workers who want everything under control.

Features

- Ultra-compact roll-up design
- Closure with buckle
- High-strength, light-weight fabric
- Large surface for complete view of all tools
- Fits easily into GT Line's professional tool bags

WORK by GT Line Tool Storage

Work by GT Line Tool Transport Solutions

Work by GT Line delivers a complete ecosystem of tool transport solutions designed for modern technicians, installers, electricians, and maintenance professionals. From ultra-compact tool rolls and belt pouches to full-featured bags, backpacks, and trolley systems, each product combines rugged construction, ergonomic design, and smart organization to meet the demands of dynamic fieldwork. Select models offer dedicated compartments for laptops and digital devices—ideal for professionals who need to carry both tools and tech in one streamlined setup. Whether you need quick access in tight spaces, padded protection for delicate instruments, or modular configurations that pair with cases and belts, GT Line offers scalable, durable options for every task. With reinforced bases, adjustable straps, and compartment layouts tailored to real-world workflows, this collection supports professionals who value efficiency, mobility, and reliability—on every job, in every environment.
