

Pliers & Cutting Tools

Cobra® Water Pump Pliers

The KNIPEX Cobra® is the original push-button water pump pliers. A single push of the button opens the jaw; set it on the workpiece and release — it self-locks with no slipping and minimal hand force required. Forged box-joint construction handles substantial gripping loads, and induction-hardened serrated teeth (61 HRC) grip round, hex, square, and flat workpieces across sizes from 4in to 12in. The Cobra® XS (4") delivers the same self-locking capability in a pocket-sized tool with one-handed slide adjustment and no push-button required. Chrome vanadium electric steel, forged and oil-hardened.

Features

- Push-button adjustment locks directly on the workpiece — set once and it stays
- Self-locking on pipes and nuts; no slipping, low hand force required
- Forged box-joint design for high stability under load
- Induction-hardened serrated teeth (61 HRC)
- Pinch guard protects fingers and hands
- Chrome vanadium electric steel, forged and oil-hardened
- DIN ISO 8976 compliant (all models except [8700100SBA](#))
- Cobra® XS: one-handed slide adjustment for access in the tightest spaces
