

Machine Taps: HSS-Co5 machine taps in nine sizes of Unified Coarse (UNC) and Unified Fine (UNF) threads.

Multi-Purpose Hole Saws and Accessories: Bi-metal hole saws up to 8-1/4 inch diameter in HSS and HSS-Co8. Arbor holders and replacement pilot drill bits also available.

Combination Drill Bit/Machine Taps: HSS Combo taps allow you to drill, tap and deburr thru-taps with a single tool.

Jobber Length Drill Bits: High-performance HSS, HSS-Co5, TiN-coated HSS and Black & Gold drill bits for drilling in all conventional materials. Available in fractional, metric, number and letter sizes.

Step Drill Bits: The ideal tool for sheet-metal working, this durable and versatile tools will center, spot-drill, bore and debur - all in one smooth, high-performance working cycle. Available in 9 different size ranges in HSS, HSS-Co5 and HSS-TiN.

Countersink Bits: CBN-ground HSS countersink bits suitable for all standard industrial materials. Available in both 82° taper for UNC and UNF fasteners and DIN 33 Type C 90° taper for metric fasteners.

Hand Taps: HSS hand taps in fractional, metric, NPT and conduit threads. Wrenches also available.
