

Pliers & Cutting Tools

Pliers and Cutting Tool Sets

KNIPEX mixed tool sets pair the line's most popular pliers and cutting tools in curated combinations — covering gripping, fastening, and cutting applications with a single purchase. From compact two-piece belt pouch sets for everyday carry to four-piece job-ready assortments, each set is built around proven KNIPEX tool pairings and packaged for organized storage and transport. Chrome vanadium electric steel throughout.

Features

- Curated tool pairings covering gripping, fastening, and wire cutting applications
- Compact belt pouch sets for everyday carry and field use
- Multi-piece assortments for broader application coverage
- Chrome vanadium electric steel throughout
- Push-button adjustment on all adjustable tools in each set
