

Pliers & Cutting Tools

Duct Cutting Pliers

The KNIPEX Vinyl Shears cut and shorten plastic cable ducts and other plastic materials cleanly in a single pass. Special steel hardened cutting edges handle up to 5/32in (4.0mm) thick plastic without deforming or cracking the cut edge, and the wide jaw accommodates standard duct widths up to 4in. A built-in locking mechanism protects the cutting edges during storage and transport. Vanadium steel, oil-hardened.

Features

- Special steel hardened cutting edges for clean cuts on plastic cable ducts
- Cuts plastic material up to 5/32in (4.0mm) thick
- Wide jaw accommodates standard duct widths up to 4in
- Locking mechanism protects cutting edges during storage and transport
- Multi-component soft grip handles
- Vanadium steel, oil-hardened
