

Enclosure Accessories

Stationary Shelves

Overview

Stationary shelves in conjunction with an SCE enclosure can accommodate batteries, inverters, chargers, or additional equipment. These shelves are simple to install using existing mounting studs inside the enclosure. Sealed enclosures with batteries that outgas will require ventilation to dissipate outgassing from the batteries. Shelf can hold 300lb equally distributed.

| Stationary Shelf Brackets | | | |
|---------------------------|----------|--|---------------------|
| Part Number | Price | Description | Drawing Link |
| SCE-SBK36 | \$209.00 | Carbon steel, white, powder coat finish. For use with SCE-SBS3x16 shelves and SCE-3xBP15 subpanels in SCE-36ELxxxxLPxx or SCE-36HxxxxLP enclosures. (4) brackets and mounting hardware included. | PDF |
