### Stride SE2 Series Unmanaged Industrial **Ethernet Switches**

SE2 Series IP65 Rated

#### **Features**

- Rugged IP65 rating
- Tight M12 connections
- · Wide temp range
- · Panel mount
- 12, 24, 48 VDC and 18-30 VAC redundant input
- Complies with EN50155 and EN50121 industrial standards
- 5-year warranty

| Input Voltage               | Class 2 Power Supply: 12-48 VDC, 18-30VAC 50/60 Hz |  |  |  |
| Power Input Ports           | M12, male, A-coding, 4-pin                         |  |  |  |
| Reverse Power<br>Protection | Yes                                                |  |  |  |

| M12 Ports                 |                                                                   |  |  |  |
|---------------------------|-------------------------------------------------------------------|--|--|--|
| 10/100BaseT ports         | M12, female, D-coding, 4-pin                                      |  |  |  |
| Ethernet Compliance       | IEEE 802.3i, 802.3u, 802.3x                                       |  |  |  |
| Auto-Crossover            | Yes, allows you to use straight-through or crossover wired cables |  |  |  |
| Auto-Sensing<br>Operation | Yes, full and half duplex                                         |  |  |  |
| Auto-Negotiating<br>Speed | Yes                                                               |  |  |  |
| Flow Control              | Automatic                                                         |  |  |  |
| Cable Requirements        | Twisted pair (Cat5 or better) (shielded recommended               |  |  |  |
| Max. Cable Distance       | 100 meters                                                        |  |  |  |

<sup>\*</sup>Note-M12 caps (ZP-JBH-CAP) need to be used on open (disconnect) ports.

| Front Panel LEDs |          |                                   |  |  |
|------------------|----------|-----------------------------------|--|--|
| LED              | State    | Description                       |  |  |
| Dower 4 LED      | On       | Power 1 connected and operational |  |  |
| Power 1 LED      | Off      | Power 1 no voltage                |  |  |
| Power 2 LED      | On       | Power 2 connected and operational |  |  |
| Power 2 LED      | Off      | Power 2 no voltage                |  |  |
| Ethernet Port    | On       | Ethernet port connected           |  |  |
| Connection       | Blinking | Ethernet port active              |  |  |
| Status LED       | Off      | Ethernet port no connection       |  |  |

## Stride SE2 Series Unmanaged Industrial Ethernet Switches

SE2 Series IP65 Rated

#### **Dimensions**

mm [Inches]

See our website: www.AutomationDirect.com for complete engineering drawings.

### Stride Unmanaged Industrial Ethernet Switches

### **Features**

- Reliable connectivity
- · Industrially hardened
- Simple installation
- For detailed specifications on all models, see following pages

|                               | SE Series            | SE2 Series IP65     | SE3 Series DIN Rail | SE3 Series IP67      |
