

Ratchets & Sockets

Alignment Ratchet Set

The Titan 3-piece alignment ratchet set combines a reversible ratchet with a tapered spud handle, so you can line up bolt holes and start fasteners with one tool. Includes 1/4in, 3/8in, and 1/2in drives for a full range of assembly work.

Features

- Tapered spud handle aligns bolt holes during assembly
- Reversible ratchet drives fasteners in both directions
- 1/4in, 3/8in, and 1/2in drives included
- Black-oxide steel construction
