Tools that work for you

## Electrician's Tool Set

Wiha 50-Piece Insulated Electrician's Tool Set gives you everything you need to power through every job with confidence.

This premium 50-piece insulated tool set includes everything electricians need to work efficiently and safely — all neatly organized in a durable 16 in canvas tool bag.

Includes: Screwdrivers, Nut Drivers, Pliers, Cutters, T-Handles, Cable Knife, Folding Ruler, Adjustable Wrench, and Voltage Detector — the essential tools for everyday electrical work.

Every Wiha insulated tool is individually tested to 10,000 volts AC and rated for 1,000 volts AC (1,500 volts DC), ensuring maximum protection and peace of mind when working on energized systems.

Certified to the highest international standards — VDE Certified, meeting EN/IEC 60900, ASTM F1505, and CSA specifications — this set provides unmatched reliability, durability, and safety against arc flash and electrical hazards.

Equip yourself with Wiha — the trusted name in professional-grade insulated tools.

## Features

- Individually tested to 10,000 VAC and rated to 1,000 VAC for safety and peace of mind
- SoftFinish cushion grip handle for comfort and control
- Proportionate handle size for consistent mechanical advantage
- Parallel flats for roll-off prevention
- Tip profile labeled on cap for easy identification
- Wiha premium quality tool steel for strength and durability
- 16 in canvas tool bag for convenient storage
- Exact fit precision machined tip for reduced cam-out
