SoftFinish Screwdriver Tray Sets

Wiha SoftFinish Drivers are the standard for professional quality. Wiha premium drivers feature ergonomic cushion grip handles for comfort and control, dual durometer construction for long-lasting durability, and handles that are directly molded to the blade for a permanent bond. SoftFinish Driver handles are sized proportionately to the blade for consistent mechanical advantage, including parallel flats to prevent table-top roll-off, and driver tip profiles labeled on the cap for easy identification. Wiha SoftFinish Drivers consist of Wiha premium quality tool steel engineered for strength and durability, have a chrome-plated satin finish for corrosion protection, and feature exact fit precision machined tips to reduce cam out of fastener heads.

Features

- Tray Size: 1/2 drawer (15.5 x 11.0 x 1.5 in)
- SoftFinish cushion grip handle for comfort and control
- Handle direct-molded to blade for permanent bond

wiha Tray Sets

Tools that work for you

Overview

Wiha modular foam tray sets provide professional-grade tool organization that maximizes efficiency and workspace optimization. Each set is housed in durable laminated tri-layer foam trays designed to fit seamlessly in most toolboxes and pull-out tool drawers. Available in multiple size configurations, these modular trays allow multiple units to fit within a single standard tool drawer—maximizing storage capacity while maintaining easy access to frequently used tools.

The soft foam construction protects tools from damage while custom-fit compartments keep each tool securely in place, preventing movement during transport or storage. High visibility tool callouts are printed directly on each tray, making it easy to identify missing tools at a glance and ensuring every tool returns to its designated location. This systematic organization reduces time spent searching for tools, improves inventory management, and creates a cleaner, more professional workspace. Whether outfitting a new toolbox or upgrading existing storage, Wiha foam tray sets deliver the organization and durability professionals demand.

Features

- Durable laminated tri-layer foam construction
- Hard shell top layer provides impact resistance and easy wipe-clean maintenance
- High visibility tool callouts printed on each tray for quick identification and inventory management
- Custom-fit compartments secure each tool in place and prevent movement during transport
- Modular foam tray system with standardized sizes fits most toolboxes and pull-out tool drawers
- Multiple size configurations available:
 - 1/8 drawer (15.5 x 6.5 x 1.25 in)
 - 1/4 drawer (11.0 x 7.75 x 1.25 in)
 - 1/2 drawer (15.5 x 11.0 x 1.5 in)
 - Full drawer (22.0 X 15.5 X 1.25 in)
- Soft foam protects tools from scratches and damage
- Space-saving design maximizes drawer capacity and accessibility
