Canvas Tool Bags

Designed to work for you, the Wiha Cordura Tool Bag provides a convenient and secure solution for the secure storage and organization of your Wiha Tools. Crafted of rugged Cordura Canvas, the tool bag comes in three unique sizes to fit the job at hand. The bag features a reinforced molded composite base to stand up to the wear and tear of everyday professional use. Carry the bag using the Velcro secured carry handles or attach the included 1-1/2" wide shoulder strap for heavier loads. Unzip the heavy-duty bag to engage the gate-mouth feature for unhindered access to all of your main compartment tools.

Features

- Crafted of rugged Cordura canvas and features a reinforced molded composite base delivering long-life and durability
- Features 1 gate-mouth main compartment, interior pockets, and exterior pockets to store and organize a wide variety of Wiha quality tools and accessories
- Features a robust YKK zipper assembly, molded composite reinforced base, 1-1/2" shoulder strap with shoulder pad, and durable nylon carry handles with Velcro closure
- Measurements (inches): 12 x 8 x 10 | 16 x 8.5 x 11 | 23 x 8 x 11
