|------------------------|---|---------------------|------------|
| <b>Product Family:</b> | DirectLOGIC DL405 Series                        | <b>Number:</b>      | PA-DL-007  |
| <b>Part Numbers:</b>   | D4-EE-2   | <b>Date Issued:</b> | 05/13/2024 |
| <b>Subject:</b>        | DirectLOGIC DL405 EEPROM cartridge obsolescence | <b>Revision:</b>    | Original   |

---

**Purpose** Announce the obsolescence of the DirectLOGIC DL405 EEPROM cartridge from AutomationDirect.

| Affected Products | Part Number | Affected Versions |
|-------------------|-------------|-------------------|
|                   | D4-450      | All               |
|                   | D4-450DC-1  |                   |
|                   | D4-450DC-2  |                   |
|                   | D4-440      |                   |
|                   | D4-440DC-1  |                   |
|                   | D4-440DC-2  |                   |

**Summary** Due to circumstances beyond the control of AutomationDirect Inc. the DirectLOGIC DL405 EEPROM cartridge will be discontinued for purchase. Once remaining stock is sold out this product line will no longer be available.

**Solution** Migrate to D4-454 or D4-454DC-1. The D4 platform of PLC is more than 25 years old. ADC recommends customers plan to upgrade to a newer PLC platform if possible.

**Product Description** DirectLOGIC DL405 EEPROM cartridge, 15.5k maximum program storage. For use with D4-440 or D4-450 CPUs.

**Technical Assistance** If you have any questions regarding this Product Advisory, please contact Technical Support at 770-844-4200 or 800-633-0405 for further assistance.
