NS211YF02CPDG4	NS211YF02CPEG5
NS211YF24CPDG4	NS211YF24CPEG5
NS211YF16CPDG4	NS211YF16CPEG5
NS201YF02CPDG4	NS201YF02CPEG5
NS201YF24CPDG4	NS201YF24CPEG5
NS201YF16CPDG4	NS201YF16CPEG5

Description of Problem

In 2024, GC Valves made changes to several of the NSF nylon body valves. As current inventory is sold out, the new style will start shipping to customers.

The changes affect the appearance of the valves only. All technical specifications and interface dimensions are the same.

Below are pictures of an old valve and new valve. Part number NS211YF02CPDG4 shown for reference.
